

Transit is on the Nov. 8 Ballot!

Public transit is essential:

- for **seniors** who can't drive to remain independent
- for **working families** who can't afford cars, gas, and insurance
- for **slowing the climate crisis** with low-pollution alternatives
- for **small businesses** who need reliable workers even if their car breaks down, and
- for **vibrant communities** where everyone can access jobs, schools, shops, and more!

And we all depend on essential workers who depend on transit!

VOTE YES NOVEMBER 8

Vote YES on your County Transit Millage to

- Maintain the SMART buses that link workers to jobs
- Provide rides for seniors and people with disabilities
- Expand transit into more of Oakland County
- Expand Flex - the new \$2 Uber-type rides (@ Ride SMART Flex)

Worth it: The 0.95 mil property tax costs the average family less than \$10 a month and is a renewal in most places. Just like parks and fire departments, every community needs transit!

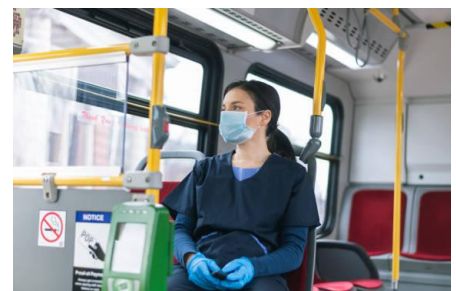

Paid for with regulated funds by Transportation Riders United Ballot Committee, PO Box 80581, Rochester, MI 48308
